

DIANNECAINE

AUSTRALIA

Natural beauty, without compromise

Founded in 2005 by Dianne Caine, out of a want for natural products to help her six-year old daughter with a cancer scare, Dianne Caine Australia has now evolved as an innovative Australian based natural and luxury lifestyle brand.

Our scientifically advanced ingredients work at a cellular level to soothe and repair the skin and hair. We have 19 meticulously crafted products which offer a complete lifestyle range, without compromising on results or transparency.

We are proud to have formulated without a long list of questionable ingredients such as Sulfates,

Parabens, Mineral Oils, PEGs, Silicones and Phthalates, and we do not test on animals. Dianne Caine Australia products are formulated with the highest quality ingredients such as innovative fusions of plant actives, sea botanicals and organically certified ingredients. They are extremely effective and deliver high-end skincare results that nourish and comfort your skin, along with your overall well-being.

All the products are 'natural beauty, without compromise'. We are not just passionate about skincare, but living and embodying a healthy lifestyle. Healthy skin, is happy skin.
